

NAME: \_\_\_\_\_

Which artwork did you choose? # \_\_\_\_\_

\*\*\*Your answers will be evaluated for the coherence and justifications of your point of view based on accurate observations, the precision of the vocabulary related to the arts and the depth of your answers.

1. What is the subject of this artwork? /3

2. In this artwork, what first catches your eye? Why? (color, position, scale, subject, shape, etc) /5

3. What are the *visible* pieces of data in this artwork? (elements, numbers, quantity, proportions, etc)  
Explain the visual elements that lead you to this hypothesis. /5

4. Do you feel you are the targeted audience? Why/Why not? /2

5. What would you change in this project to improve your understanding of the subject/message?  
Why? What would you change it into? (not about what you would add, but you have to find an element/idea to *change!*) /5
